OUR ACADEMIC METHODOLOGY

CLEAR LEARNING TARGETS

Your lessons will include clear, concise learning outcomes that provide you with a 'road map' for progress and success. At the end of each week you will have a chance to assess and evaluate what you have achieved and set new class goals for the following week.

COMMUNICATIVE

Our lessons focus on language patterns and forms, but are also interactive with a purpose. Our teachers promote student-student interaction through a mix of pair-work, small group work, role-plays and mingle activities. You will be working with other learners and will develop your skills to produce extended, complex sentences with increased accuracy and fluency.

PERSONALISED FEEDBACK

We believe that providing regular feedback is a really important part of your learning journey. Each week our teachers share their views on your success and give advice on how to improve even more quickly through our system of tutorial support. You can also make an appointment with our Learning Coordinator who can help you design an Individual Learning Plan tailored to your needs.

ASSESSMENT AND GUIDED PROGRESS

Your performance is monitored and assessed by your teachers and the academic team to make sure you stay on target with your learning. We have regular weekly progress tests that focus on your language knowledge and your skills.

Film and Fluency

English Through Music
A fun way to improve your English by listening to popular songs and discussing the lyrics!

LANGUAGE CLUB

The Atlas Language Club is a teacher-supervised session for students who would like additional study tasks. With the support of a senior teacher you can work individually or in small groups either reviewing key grammar and vocabulary or getting help with your homework.

In addition to in-session help, students can also be given optional 'homework missions' to complete outside of school hours, offering further opportunities to practise and improve at their own pace.

TUTORIALS

At the end of your first week you will have a **Week one tutorial** with a member of the Atlas team. This is your opportunity to give us initial feedback on your classes and all other aspects of our services. We want to check early on that you are settling in and are happy!

For additional academic support you can schedule a progress tutorial with your teacher every 4-6 weeks or arrange an appointment in our Language Club to discuss and design an Individual Learning Plan tailored to your needs.

TESTIMONIALS

Atlas Language School is the best place to improve your English. The teachers are very good and helpful and also show you real friendship. Everyone should have this experience!

ZEYNEP AKDEMIR, TURKEY - ADULT GENERAL ENGLISH STUDENT

It's the first time I have travelled to Ireland and taken part in the Atlas Junior Programme. It's so much fun and I'm looking forward to coming back as soon as possible. I love the English classes, trips to Dublin and all the other activities, because you make contact with a lot of people from different countries and cultures, and have so much fun. You don't even realise that you are improving your English skills!

LISA MARIE VOGELGESANG, GERMANY - JUNIOR PROGRAMME STUDENT!

Each year we send students to countries and cities all around the world. I can honestly say that Atlas are one of the very best schools we have ever worked with. The staff are incredibly professional and a pleasure to deal with while the academic programme, standard of accommodation and level of service is of the very highest quality. We have sent students to Atlas for over 10 years and during that time they have become one of our biggest partners - I really can't recommend them enough!

OSCAR PORRAS, OWNER OF MIDLETON AGENCY, SPAIN!

I've never been to Atlas before but I have made a lot of friends here, I really like this school! I will be back again next year! It's the best!

EGOR DOROSHEV, RUSSIA - JUNIOR PROGRAMME STUDENT

I'm really happy I chose Ireland to study English because here in Ireland I've found everything - a quiet city, friendly people, beautiful landscape and more!

RASHAD AHMEDI, LIBYA - ADULT IELTS EXAM PREPARATION STUDENT

The classes are based on different activities which encourage students to talk. The teachers are kind and willing to help, even the weakest students - nobody's left out. Can't wait to go back to Atlas next summer with a group (some of the students who have come this year want to come again next year, so it's a good sign and the best publicity you can get!) I would highly recommend Atlas for junior students who want to improve their English having fun!

SYLVIE BOGAS, ENGLISH TEACHER AND MANAGER OF EASY ENGLISH, FRANCE

Atlas is an amazing school with great teachers that will help you achieve fluency while having fun through well-prepared classes and carefully planned activities. Its location is also a plus, since Atlas faces the canal, giving students a heart-warming sight every morning. It's impossible not to start your day in a good mood!

LARISSA RAVÁLIA, BRAZIL - ADULT ACADEMIC YEAR STUDENT

I've studied in Atlas three different times and felt that it was a very positive experience because the teachers make the lessons very interesting and I've met a lot of great people while studying here. I think that I will come back again and again... let's go to Atlas!
